## Important Product Announcement

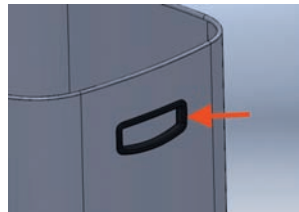

July 17, 2015

Dear Costco Member,

Costco's records indicate that you purchased a Sensible Eco Living 80L/21G Motion Sensor Trash Can (Costco Item# 807890) between December 2013 and June 2015.

Please inspect the opening in the back of the trash can. **There should be a *Black Plastic Protective Collar* in the opening.**

If the black plastic protective collar is missing or dislodged, it is a **Safety Hazard** and you should immediately discontinue use of the trash can.

There are two resolutions available to you for this issue:

1. The manufacturer will provide you with an improved Black Plastic Protective Collar in a kit including a pair of protective gloves and instructions for installation. The Kit can be obtained by contacting the 24-hour toll free customer service hotline at **800-354-7426** or via email at **80Lrecall@ekousaltd.com**. When ordering, please specify glove size (S, M, L or XL). Use the chart to properly size your glove.

Small – Under 8"  
Medium – 8" – 9"  
Large – 9" – 10"  
Extra Large – Over 10"

*If unsure of size, you may order multiple sizes of your choice.*

2. You may return the trash can to Costco for a full refund.

This product recall is being done in cooperation with the Consumer Products Safety Commission, commonly known as the CPSC, and as a result, the CPSC may call you to confirm your receipt of this notification.

On behalf of EKO Development LTD. and Costco, we would like to apologize for any inconvenience this may cause.

Sincerely,  
EKO Development LTD.
