

SAFETY RECALL

Cosco Home and Office Products Convertible Hand Truck

Feb. 25, 2015

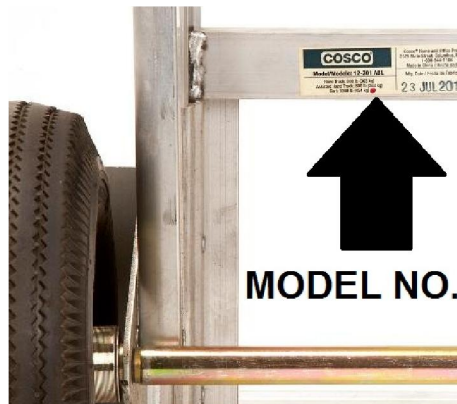

Dear Costco Member,

Costco's records indicate that you purchased the 12-301 Cosco Hand Truck between Jan. 1, 2009 through Dec. 15, 2011.

In cooperation with the Consumer Product Safety Commission (CPSC) the hand truck is being recalled by Cosco Home and Office for the below hazard;

The wheel hub can separate or break and eject pieces during inflation, posing a risk of injury to the consumer and bystanders.

Stop using the hand truck immediately and contact Cosco Home and Office directly to obtain a repair kit.

Please obtain the repair kit by contacting the Cosco Home and Office website at www.coscoproducts.com and click on the safety notice link at the right of the page or you may call

1-877-639-0659 Monday through Friday, 8AM to 5PM EST.

REMINDER: Have the model information when requesting the repair kit.

Cosco Home and Office sincerely regrets any inconvenience this situation may have caused you.

Very truly,

Cosco Home and Office
